Eat well, lose weight, feel better

We've joined with Healthy You to offer FREE Adult Weight Management Programme for those living with mental health challenges.

Healthy You

The most important reason to lose weight is to make you feel better. Being overweight or obese puts you at higher risk of developing Type 2 Diabetes, cancer, or having a stroke or heart attack.

We know that losing weight is not always easy - especially if you are living with poor mental health - but Healthy You is here to help.

You'll join a programme of 12 weeks of face to face coaching, either online or

in person to help you to make healthy food choices and increase your activity levels.

To join the programme, you'll need to have a BMI of over 25 (we can help you to work that out, if you don't know) and be living with mental health challenges

Please note that this opportunity is open to everyone regardless if you are a CKH resident or not

Contact Community@crosskeyshomes.co.uk, scan the QR code or call 01733 396404 to register your interest.

Making Space

A build up of items in the home, difficulty parting with items and hoarding can affect health, wellbeing and lifestyle. It also poses a significant risk of fire and illness.

Our support group is a non-judgmental, confidential and supportive, giving advice and practical solutions for anyone who has difficulty parting with possessions.

Running weekly between 1pm and 3pm at our Westwood Community Hub, 31-35 Hampton Court, Westwood, Peterborough PE3 7JB

Booking is essential. To book your place please call 01733 396404 or email community@crosskeyshomes.co.uk.
